

CAD Migration and Validation for Aerospace Companies

Wichita State University's National Institute for Aviation Research and Capvidia are pleased to announce they will hold a CAD Migration and Validation Seminar for aerospace companies.

Presentations are focused on the following topics:

- CAD Data Validation – in Aerospace including D6-51991 Compliance for Boeing Suppliers
- CAD Data Quality - quality assessment and its importance in implementation of Model Based Definition based processes
- CAD Data Migration – issues and difficulties illustrated based on CATIA V4 to CATIA V5 migration

Capvidia Software Solutions

- CompareVidia - CAD data validation for Aerospace Suppliers including D6-51991 Compliance for Boeing Suppliers
- 3DTransVidia - CAD Data Quality Assessment to international and internal standards
- 3DTransVidia - CAD data migration between CATIA V4 and CATIA V5

Presenters:

- Shawn Ehrstein, CAD/CAM Lab Director, National Institute for Aviation Research, Wichita State University
- Lyle Fischer, Technical Marketing Director, Capvidia

Date:

Friday, December 17, 2010
9:00 am - 12:00 PM CDT
Lunch will be provided

Seminar Location:

National Center for Aviation Training
Manufacturing Training Center
4004 N. Webb Rd.
Wichita, KS 67226
